- Since the safety of our guests is our highest priority, from 2024 onwards we provide bicycle helmets FREE OF CHARGE! (We use TÜV-certified Cratoni helmets manufactured in Germany.) In return, we kindly ask all guests to wear them – although unfortunately we cannot make this compulsory.
- Helmet use is mandatory on all guided tours organised by us.
- Child seats are available for children weighing up to 22 kg, but this service can only be used if the child wears their own bicycle helmet, which must be provided by the guest. Without a personal child's helmet, this service is not available.
- For multi-day/weekend rentals, we provide a charger FREE OF CHARGE with our bicycles.
